MARK 8:27-35 In the Gospel from Mark, a deaf and dumb man was brought to Jesus. Jesus took him aside to a place of privacy. There in that private space there was just the man and Jesus Christ. The man was given a grace filled moment to be with the Son of God. Jesus places His fingers into the man's ears and touches the man's tongue with His spittle. The man encounters the bodily presence of Jesus Christ. He is touched by the physical presence and body of Our Lord Jesus Christ. Jesus then looked up to heaven and said to the man "Ephphatha" that is "Be Opened". The man was able to hear and was given the gift of speech.

Jesus Christ's mission on earth was a mission of healing. The greatest act of healing took place through His death and bodily sacrifice on the cross.

Through His physical death on the cross, Jesus healed and reconciled the relationship between God and humanity.

Following His resurrection and ascension into heaven, Jesus Christ is no longer visible on earth in His bodily form. As Jesus expired His earthly spirit, the Father sent the Holy Spirit at Pentecost into His Church to continue Christ's bodily contact through the Sacraments with mankind. During Jesus' presence on earth, His acts were divine acts in human form. They had saving and divine power. They bestowed grace realised in human form. Christ is now no longer visible in His bodily form. The Sacraments are the earthly extension of the body of Our Lord. The Sacraments bridge the gap between the Christ of heaven and humanity on earth. The Sacraments are not things but encounters of men and women with Jesus Christ in visible form. The sacraments are the earthly extension of the Body of Our Lord. This is the Church. This is true of all the Sacraments but most especially the Holy Eucharist - the Body and Blood of Our Lord Jesus Christ.
